

FRED JERBIS

ORIGINAL ITALIAN SPIRITS

GIN 43

*Handcrafted
Unfiltered*

Definition: Original Italian Gin

ABV: 43% VOL

Production method: Five all natural production extractions: Alcoholic Distillation - Steam Distillation - Cold Maceration of Dried Herb - Cold Maceration of Fresh Herb - Hot Maceration (Digestion)

Ingredients: 43 Botanical such as: Juniper, Angelica, Lemon, Orange, Mandarin, Time, Lavender, Mint, Anise, Fennell, Mountain Pine, Melissa, Iris, Imperatoria, Savory, Clary Sage, Wormwood, Yarrow, Liquorice, Saffron, Orange Blossom, Hyssop, Marjoram.

Color: Straw Yellow given from the cold infusion of the Orange Blossom & Saffron

Bouquet: Notes emphasize of Juniper (a higher percent of Juniper versus a classic Gin), a scent of violet from Iris, light lavender and citrus, herbaceous characterized by the combination between Coriander and Angelica, ending with a fresh mint scent.

Flavor: Gin 43 has a delicate herbaceous but persistent and citrusy flavor; sweetness given by the mixture of Dill,

Fennel, Liquorice & Anise. A note of bitterness is given by the maceration of the Imperatoria, Gentian, Aromatic Calamo, Wormwood and the essential Juniper. A final note is from Angelica seeds and roots; to leave at the end a fresh taste from the mix between Thyme, Melissa, Sage and Mint.

Aftertaste: Gin 43 releases a persistent bitter aftertaste given by the strength of the wormwood, Imperatoria and Juniper.

Features: Gin 43 is very good as an aperitif and as a digestive due to the characteristic of the main herbs present.

Pairings: Gin 43 as such as a bitterness and sweetness taste, could also be combined with the majority of tonics for an explosion to the palate.
